Karl Heinz Walter

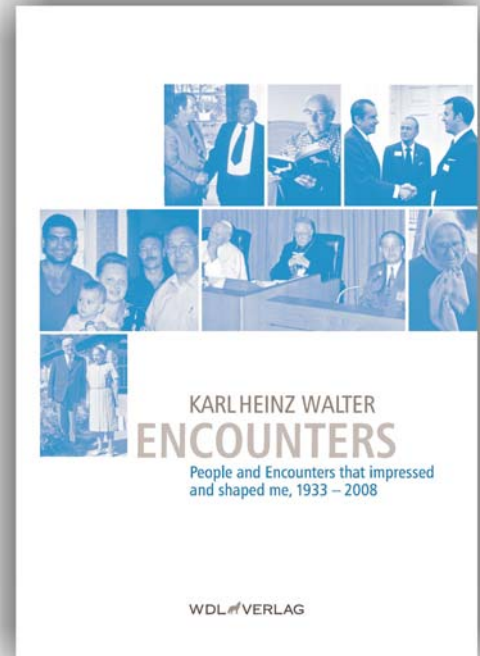

People and Encounters

that impressed and shaped me, 1933-2008

From the Preface:

"These written memoirs provide more than a historical record of past events. They are a spiritual diary of God leading one man to respond to that heavenly vision. Karl Heinz Walter did not deny that vision but responded with seriousness, enthusiasm, and joy to the cross of Christ that was set before him. And in his responding to that vision of Christ for a united fellowship of Baptists in Europe, the leaders and members of the European Baptist Federation also responded affirmatively and with great enthusiasm. Congratulations Karl Heinz Walter. Well done, good, and faithful servant!"

General Secretary Emeritus
